7 July 2022  
Maxim Melamedov

To whom it may concern:

This letter serves to confirm that Scytale AI Ltd. acknowledges and affirms that Zesty Tech Ltd. has undergone, and successfully completed the SOC 2 audit process, in line with the audit scope defined within the Service Organization Control (SOC) 2 covering the criteria Security, Availability, and Confidentiality principles set forth in DC Section 200 2018 Description Criteria for a Service Organization's System in a SOC 2 Report (Description Criteria) of the Guide Reporting on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy, and in TSP Section 100 2017 Trust Services Principles and Criteria for Security, Availability, Processing Integrity, Confidentiality, and Privacy (2016).

Zesty Tech Ltd. has now received confirmation of the final SOC 2 Type II attestation report from the authorized certification body (Kost Forer Gabbay & Kasierer ("KFGK"), a member of Ernst & Young Global), indicating successful completion of the audit process for the controls defined and relevant to the criteria mentioned above and principles, for the audit period February 1, 2022, to April 30, 2022.

Scytale confirms to the best of our knowledge, and expertise, and as confirmed by the independent auditors' report assessment that Zesty Tech Ltd. has suitably designed and implemented appropriate controls aligned to the SOC 2 guidelines based on the AICPA and that there were no control deviations/deficiencies noted for any of the controls relevant to Zesty Tech Ltd. which were defined within the relevant TSC Scope comprising of Security, Availability, and Confidentiality

*Disclaimer: This letter does not serve as an official audit attestation report.*

Yours sincerely,

**Merian Galis**  
**CEO**  
**Scytale AI**
